

**Lycan
Scholarship
Opportunities!**

Thanks to the support of the local community we are now able to support you! Lycan is giving away three \$1000 scholarships to students who show promise in both academics and athletics. All you have to do is submit an application which includes a 200 word essay where you tell us a little about yourself.

Send us your applications at
LycanScholar@gmail.com

Lycan Energy Drink

PO Box 8411 Santa Maria CA
93458

(805) 314-7212

ajuarezs@calpoly.edu

We are a relatively small business based in Santa Maria, CA that focuses on producing energy drinks. Our main priority is to restore our customers' depleted energy and make them feel regenerated. Lycan strives to always give its customers the extra push they need to complete their daily endeavors. Thanks to our satisfied customers we continue to grow and hopefully will be able to open a permanent shop soon!

Why Lycan?

Lycan helps night owls arise from their somber states and make them feel capable of taking the day by storm. It gives you the energy to finish that tiring 8 hr shift. It helps you replenish energy when you need to study for upcoming exams. Lycan also gets you ready to complete a rigorous gym session.

Pop-Up Shop

Lycan currently does not have a stationary shop where we can offer our products. As a result, we often have pop-up shops in various locations.

The locations include nearby colleges, farmer markets (Lompoc, Santa Maria, Arroyo Grande, San Luis Obispo), gyms, and malls.

Products

Our catalog keeps on expanding as we continue to grow. Some of our most popular flavors

include:

- Watermelon
- Tropic blast
- Grape fusion
- Fruit punch
- Pineapple-orange

We also take customer suggestions when it comes to creating new flavors. So we encourage you to send us your desired flavors!
